- Problem-solving

PROFILE

A passionate software developer with experience in Java, Python, JavaScript, and web technologies like React, HTML, and CSS. I hold a BSc in Computer Science and Physics from the University of Fort Hare and am currently advancing my full-stack skills through the CapaCiTi Bootcamp. I thrive on solving problems, building responsive applications, and continuously learning. Looking for opportunities to contribute to innovative projects and collaborate with dynamic teams.

EXPERIENCE

Full-Stack Developer Intern

August 2024 – Present

CapaCiTi, UVU Africa

- Developed a Personal Portfolio Webpage using HTML & CSS.
- Created an Interactive Resume utilizing JavaScript and DOM manipulation.
- Built a Simple REST API with advanced JavaScript and Node.js.
- Developed a Single Page Application using React basics.
- Worked on a Data Analysis Project using Python basics.
- Currently developing a Full-Stack Web Application using Java and Node.js.
